Phone Company Announces Cheaper Rates Locally

New Schedule Will Facilitate Calls From Albany and Berkeley to Contra Costa County

Closer harmony between Albany and southern Contra Costa County was cemented this week with word from the California State Railroad Commission that excessive telephone toll charges will be eliminated.

Revolving the long-standing "long distance" toll charge between this city and southern Contra Costa cities, including Richmond, came as the result of a relentless protest registered by leading El Cerritos.

The good news, of vital importance to residents and business firms in both localities, was officially announced following a meeting Tuesday between State Railroad Commission authorities and civic leaders of El Cerrito. The later delegation comprised Councilman Louis E. Navelin, Joseph M. Turner, executive secretary of the El Cerrito Chamber of Commerce, and Louis E. Davis, newspaper publisher of that city.

The so-called "imaginary telephone line" which heretofore has stretched along Schmidt Lane, one block south of the El Cerrito City Hall and running east and west, will be eliminated effective January 15, according to an official bulletin issued by the Pacific Telephone and Telegraph Company.

Albany observers point to the new rate change as a direct influence of the new telephone exchange building that will be built in Albany early next year, intended to serve all of Albany, North Berkeley and Southern Contra Costa County.

M. R. Sullivan, vice president and general manager of the P. T. and T. Co., in an official statement, announced:

"This new service makes it possible for subscribers residing on opposite sides of a boundary to call each other without the payment of a toll charge for each message.

"In Berkeley (and Albany) subscribers with Ashberry, Berkeley, and Thornwall telephone prefixes will be able to call Richmond and, upon establishment of a new proposed exchange at Orinda, will be able to call that community at no charge for the specific calls.

"In planning to place in effect this new service," continues Mr. Sullivan, "we do so to play our full part in rendering the most efficient and the greatest possible availability of service to our patrons, and to fulfill our obligation to make service rearrangements from time to time to meet changing conditions."

Other modifications in a general readjustment of Bay region "phone service" will mean a reduction in the net revenue of the Pacific Telephone and Telegraph Company of \$148,350 annually, the railroad commission formally reported.

Cornell P. T. A. Plans Holiday Program Dec. 2

Formal business discussion will be limited and the next meeting given over to a holiday party, tells Mrs. A. L. Magazini, program chairman of Cornell PTA, as she announces the session of the group on Thursday, December 2, at 2:30 p. m., in the school auditorium.

In keeping with the Christmas season, she explains, a play entitled "Books" will be presented by children of the fifth grade under the direction of Mrs. Maxine Welch, their teacher. Musical selections will also be offered by a stringed trio from the High School. Armin Wagner, City school musical director, will be in charge of this part of the program.

Mothers of fifth grade pupils will act as hostesses at the tea to follow the meeting and program. Mrs. C. B. Lyon, Cornell PTA president, will extend the group's holiday greetings to those present.

Visit Alameda High

Returning a "good-will" visit of several weeks ago, a group of 20 Albany High School students, led by William Woolworth, English teacher, journeyed to Alameda High School last Friday and presented a program of entertainment before the student body of the island school.

Death Takes I. Mountjoy

Following an illness of two weeks, Irving C. Mountjoy, 53, died Friday morning at his home, 1113 Ordway Street. Funeral services were held Monday afternoon in Berkeley, with Herbert E. Bunham of Oakland reading a Christian Science service.

Mr. Mountjoy was a native of Missouri, lived in Montana before coming to the Bay District 15 years ago. He was employed by the Pacific Gas and Electric Company as an electrical engineer, and had lived here with his family for eight years.

Surviving are his widow, Mrs. Inez L. Mountjoy; and three sons, Wiley, Leroy and Thomas Mountjoy. He also leaves his parents, Mr. and Mrs. Wiley Mountjoy and five sisters and two brothers. They are Mrs. Clifford Bowie, Mrs. Melvin Goodberlet, Mrs. C. H. Mikkleson, Mrs. J. H. Williams, Lucille Mountjoy, John Mountjoy and Myron Mountjoy.

Mrs. I. Doyle Offers Pupils In Musicales

Presenting her piano pupils in a musicale next Friday, December 3, Mrs. Ida Doyle, instructor of 1427 Washington Avenue, announces that they will offer a varied program. The affair is to be held at her home at 8:15 p. m. Mrs. Barbara Gregory, vocal teacher at the High School, will also offer two solos during the evening.

Among those taking part in the program are James Rhodes, Robert Swenson, William Walter, Barbara Wilmoth, Wayne Howe, Douglas Durland, June McCusland, Mary Ellen Cook, Jack McCausland, Dorothy Ann Geach, Dorothy Potter, Leslie Allen, Eva Vila.

Heavy Storm Is Easily Handled By Drain Sewer

Residents of the area served by the new drain sewer on Portland Avenue are breathing easier this week following the successful test passed by the project during the heavy storm last week-end. At no time during the torrential rain was the sewer more than half-full, according to City Engineer Harry I. Dygert.

Flooded basements and homes such as occurred during each previous winter and which brought demands for the larger sewer, are a thing of the past, it is realized. Cost of the new system was about \$12,000, of which the City of Berkeley paid one-third.

To complete the project, repaving of part of Portland Avenue is to be undertaken as soon as possible. Rain has hampered the street work, it is announced.

Health Tests to Be Conducted in Spring at High

Thorough physical examinations for students of Albany High School will be conducted during the spring term by authorities of the Alameda County Tuberculosis and Health Association, announced Dr. Jack L. Stein, city health officer, this week.

At that time the association's valuable equipment will be available for local use, Dr. Stein said. Examinations are now being conducted throughout the southern part of the County.

Arrangements have been completed by the Albany official for the use of a mobile fluoroscope unit, equipment seldom obtainable outside of hospitals and institutions, he disclosed. Approval of his request for these examinations was granted at a meeting Saturday of the association's board of directors.

Milk Gone, Note Tells Thanks of "Starving Jim"

If those who are aided by the Christmas cans in this city display the same appreciation as did an unknown person last Saturday morning, the holiday will be a complete success, considers Louis Cerrato, 804 Adams Street.

Thinking of the fresh, rich milk he would soon be pouring on his morning cereal, Cerrato went out on his porch Saturday and reached for the familiar bottle.

Imagine his surprise, then, to find a freshly drained bottle, with the following note inside:

"Thanks for the drink of milk. Starving Jim."

Greet Albany Man on 80th Anniversary

Arriving via telegram, air mail and telephone, over 300 messages of congratulations were received by William J. Cleland of 1031 Ordway Street, who recently passed his eightieth birthday.

The event was also marked by two celebrations. The first was a dinner party held at his home Friday evening and attended by his brother, Frank Cleland; his sisters, Mrs. Ella Cleland Dewitt and Mrs. Molly Cleland Pedrick; his son-in-law and daughter, Mr. and Mrs. T. I. Tilbury, and his son and daughter-in-law, Dr. and Mrs. Gail Cleland and family.

On Sunday Dr. Cleland, pastor of the First Congregational Church of Alameda, was host at a reception given in honor of his father at his home in Alameda. One hundred friends and relatives were on hand to greet the octogenarian, and several musical selections, including "Silver Threads Among the Gold" and "The End of a Perfect Day" were rendered. Mr. Cleland's father was J. S. Cleland, one of the early pioneers who sailed around Cape Horn from New York to California in 1852.

Mr. and Mrs. William J. Cleland were married in Siskiyou County over 53 years ago, and are the parents of a son and a daughter. Their son was the principal of the English department in one of the Imperial Colleges of Japan for three years and later served as a chaplain in the U. S. army during the world war. Their daughter, before her marriage, was employed at the secretary's office at the University of California.

Mrs. Cleland is 71 years old and is an active member of Rebekah Lodge No. 262 and the Berkeley Chapter O. E. S. No. 178. She is also a past president of the American War Mothers of California and the Women's Relief Corps No. 35. The couple has resided in Albany for the past 10 years.

"Courtesy night" will be held by the Campus Rebekah Lodge No. 331 at 1837 Alcatraz Avenue this evening. The incoming noble grand, Mrs. Gladys French, will preside.

The second nomination of officers for the coming term will also be held. Miss Freda Mortimer will be in charge of the entertainment which will follow.

V.F.W. Rites Planned for Jess Morris

Fellow-comrades of Jess Morris, prominent local veteran, will bid him a last farewell tomorrow afternoon (Friday) with funeral ceremonies conducted from the James J. Ellis Company chapel, 727 San Pablo Avenue.

Mr. Morris, who a week ago was installed as commander of the Leland Bergesen Post No. 2658, V. F. W. of Albany, passed away suddenly Tuesday morning from a heart attack.

Less than 24 hours before his death, his wife, Agnes, suffered a prolonged illness, was taken to Merritt Hospital, Oakland, where she is today confined.

Preparing breakfast for his four small children Tuesday morning shortly before 8 o'clock, Mr. Morris reportedly suffered a sudden coughing spell which resulted in a heart attack. Firemen with an inhalator apparatus were summoned to the Morris home, 1004 Pomona Avenue, by neighbors. While his four children stood by blank-eyed, firemen fought valiantly to revive the prominent war veteran, but in vain. He apparently was dead before their arrival.

Besides his ill wife, he leaves the following children: Carl, 13; David, 11; Violet, 10; and Albert, 8.

A native of Ireland, Mr. Morris was 39 years old. He came to Albany from Santa Rosa about 10 years ago. The services at 2:30 p. m. tomorrow will be conducted by the local V. F. W. Post, with Rev. George G. Saywell officiating. Assisting in the rites will be F. F. Hayhurst, H. O. Walters, A. L. Ford, L. C. Harris, H. Healey, C. Carleton, F. C. Graeber, C. Dobs, W. J. Green, R. Struben, J. R. Moore, Max Etingoff and O. C. Knutsen. Interment will be made at Sunset View Cemetery.

E. M. Wilson, editor of the Times, returned Tuesday with Mrs. Wilson from Los Angeles.

Local Women Head Lutheran Church Group

Meeting for the first time this year, the East Bay Lutheran Women's Council held a session last week at Zion Parish Hall, 12th and Myrtle Streets, Oakland, and elected two active members of the Grace Lutheran Church of this city to high offices.

Mrs. Lloyd Weaver, 820 Evelyn Avenue, was named to the presidency of the organization, while Mrs. Clara Hanson, 621 Carmel Avenue, was elected secretary. Other officers chosen were Mrs. James Murphy of Hayward, vice president, and Mrs. Helena Reis of Oakland, treasurer.

The meeting was opened by Rev. O. R. Janke, pastor of the Albany church and counselor of the group, offering a scripture reading and prayer. Mrs. Reis led a discussion of the question, "How has the Women's Council helped you?"

Next gathering of the church group has been set for February 23, 1938.

Red Cross to Seek Members During Year

Seeking the enrolment of every adult in the cities of Albany and Berkeley, the membership committee of Berkeley Chapter, American Red Cross, today announced that membership enrolment henceforth will be a year-round activity of the group.

The area-precinct plan has resulted in the establishment of permanent representatives of the Red Cross in each neighborhood of the two cities. This it was pointed out, will facilitate enrolment by those who desire membership at any time during the year.

Although the period from Armistice Day to Thanksgiving has been traditionally singled out for special emphasis on enrolment by the National Red Cross, the addition of members is not confined to that period. Therefore, anyone who may not have been home during the roll call, or who may have been overlooked in the household calls of volunteers, may join the organization at any time, either through the neighborhood representatives or by sending subscriptions directly to the Berkeley Chapter, 2116 Allston Way.

"As Red Cross gives a continuing and permanent service to all people," said Frank S. Gaines, chairman of the membership committee, today, "so is enrolment in the organization open to the public at all times. We expect to be enrolling members constantly throughout the year."

Book Day Held By High School

Spanish seniors, old-fashioned maids, Chinese girls and ordinary students attended the "book day" assembly Tuesday, according to reports from Albany High School. The gathering was in charge of Miss A. Christensen, librarian.

Three skits were also presented. The first was a scene from "The Prince and the Pauper"; the second, a playlet telling of Swedish Christmas customs; and the third was a presentation of Shakespeare's "Pyramus and Thisbe." A song by Christina Hansen closed the program.

Judge Louis J. Hardie left today for a visit to Willits.

Bids on Sale For Contest

Members of Albany Post, American Legion, have 250 tickets to sell for the De Molay-Legion all-star football game in Memorial Stadium on December 11, reveals Howard Hill, local chairman. An equal number of student tickets are also available from Clarence Finn, printing instructor at the High School, he announced.

This game between stars of East Bay and San Francisco high school teams, is an annual one and has previously been presented at Kezar Stadium. This year, however, with the American Legion co-sponsoring the contest, permission was obtained from the University of California for the use of the local stadium.

Eligible East Bay players are already practicing under the direction of Coaches Harry Lutz and Joe Smith of the University of California, reports Hill. Proceeds of the game will go into the De Molay charity fund and the American Legion veteran welfare fund.

Thief Takes \$300 in Loot At Local Home

Police of Albany and Berkeley are seeking a burglar that entered homes in the two cities Saturday night and departed in both cases with loot that included firearms. The home of A. G. Humphries, 922 Curtis Street, was robbed of a 22-caliber target pistol, a sealskin coat and a gladstone bag. Total loss was estimated at \$300.

The intruder was seen inside the Humphries home by a cousin, R. Davidson, 1727 Oxford Street, Berkeley. Calling at the residence, the Berkeley man got no answer and started to walk off when a light in the rear of the house caught his attention. He saw the thief and rushed to a nearby phone to call police.

On his return, Davidson, saw the man leaving the home and followed him to Marin Avenue where he disappeared. The burglar was described as "about 30, medium build and a scar over the left eye." Sergeant Charles Hardie and Officer Kenneth Nickerson searched the immediate neighborhood but were unable to find a trace of the man.

In Berkeley a burglar using the same method of entry, visited the residence at 1350 Curtis street and took a 22-caliber revolver and a lady's wristwatch.

Cubs and Adults Visit Navy Yard

Everything from the engine rooms to the galley of the U.S.S. Indianapolis, including the radio rooms, anti-aircraft guns and the suite occupied by President Roosevelt upon his trip to South America, were viewed by 30 Cubs of Pack No. 3 and 13 adults on a tour arranged by the commander on Saturday, November 13.

The enjoyable day included a picnic at Mare Island and a visit to the Submarine P-1. Among those who accompanied the Cubs were Mr. and Mrs. Randolph Crouse, Mr. and Mrs. W. R. McGeorge, Mr. and Mrs. Ted Arthur, Mr. and Mrs. Frank Young, Mrs. H. Woods, Larry Foye, Harold Hexner, Wayne Scott and Bill Platner, who was in charge of the outing.

Standing before an altar decorated with white chrysanthemums and wood-wardie fern, Miss Kathleen de Sausmarez pledged her troth to Lawrence Leon Seifert, Sunday afternoon. The rites were held in St. Clement's Episcopal Church in Berkeley in the presence of more than 100 friends and relatives.

Complying with the request of the Chamber of Commerce for the purchase of 10 lights and reflectors, costing \$20 each, the City Council voted Monday night to aid the group's plan to "light up" the city during the coming holiday season. The motion, introduced by Councilman V. T. Hanahan, places the equipment in the charge of the Recreation Department.

As explained by Secretary A. B. Taveira of the chamber, a sum of about \$300 is to be raised by members of his group to carry out the project of decorating and illuminating the business district for a period from three weeks before Christmas to after New Year's. Exact details of the idea are being kept a secret for the present.

The equipment to be bought will be suitable for use by the Fire Department and other City organizations after the first of the year, it was pointed out by Councilman Hanahan.

PASS DOG LAW

The new dog law, containing the requests of the dog owners who have packed the council chambers for the past two weeks, was given its second reading and ordered passed to print. Hope that it would prove "enforceable," was expressed by Mrs. Wells A. Webb, leader in the fight that brought repeal of the ordinance that asked leashing of all dogs and their custody in the hands of persons over 10 years of age.

"What we have sought," explained Mrs. Webb, "is an ordinance that will be wise, efficient and humane. If this does not prove to be what we want, we'll be back again," she promised.

First reading of an ordinance prohibiting persons or firms in the City from disposing of animals for experimental purposes, was held by the council. The inquiry of Councilman Frank Hays as to the progress being made in conferences between the City and the Berkeley Humane Society, was answered by Mayor O. C. Yenne. G. H. Denny, head of the society that formerly handled the pound work here, will study the new ordinance and make a report on the cost of again taking over the duties, Mayor Yenne said.

TO EQUIP JUNIOR POLICE

Need of the Junior Police at Cornell and Marin Schools for rain hats, coats and sweaters, was expressed in a communication from Chief of Police John Glavinovich. His request was referred to the police committee, Councilmen Hanahan and B. W. Mowday, who will meet with the Albany Traffic Safety Commission at the next board of directors' meeting on December 3.

The commission, through Mrs. Lela Brunstein, secretary, offered to assist in the purchase of the equipment as part of its work. The offer was accepted by Mayor Yenne.

Rezoning of a quarter-block, bounded by Cerrito Creek and the Santa Fe tracks, was passed unanimously. The move was designed to make the entire block second residential. Previously only three-fourths of it had been and in some cases part of a lot was zoned as light industrial.

Mayor Yenne was also authorized to sign a contract renewing the student nourishment fund with the Community Chest, the City paying \$750 and the organization a like amount. Permission to sell Christmas trees was given Scout Troop No. 42, although a request of the Scouts to conduct a house-to-house canvass to sell trees was denied. An ordinance, according to City Attorney Lavers, asks a license fee of \$25 for three months for canvassing.

A friendly cribbage tournament between the St. Alban's Men's Club and members of the St. Edmund's Episcopal Church of Richmond was held at the home of Frank Sibila, 1030 Colusa Avenue, Monday evening, November 15.

Braving threatening showers and unsteady footing on a field turned into a marsh by the heavy rains of the past few weeks, several hundred spectators traveled to University Park last Sunday to see 46 of the East Bay's outstanding archers participate in the Albany Recreation Department's first big archery field day.

Forced to postpone the event for several weeks due to inclement weather, Thomas L. Farnsworth, superintendent of the department, decided at the last minute to hold the meet so as not to again disappoint the out-of-town archers.

Farnsworth was elated at the number of contestants and spectators who turned out, and estimated there would have been double the number on hand for the meet, had weather conditions been more favorable.

Those who took part in the invitational shoot were selected from the Alameda, Albany, Berkeley and Greenwood archery clubs and unattached

bow and arrow ace. Basil May and Bryce Stewart, juniors, Dan Talt and Mrs. George Batchelder were local high scorers in the day's events, placing first or second in either two or three contests. Mrs. Batchelder annexed two first places in the women's events.

WINNERS AND EVENTS:

Albany Junior American: Basil May, first, and Bryce Stewart, second. Clout Shoot: Seniors — Charles Savio, first, and T. L. Farnsworth, second; Junior — Basil May first, and Donald Kaer, second (junior); Mrs. Batchelder, first (women's). Columbia Round: Mrs. George Batchelder, first and Mrs. Farnsworth, second.

Albany American Round: Dan Talt, first, and Charles Savio, second. Art Young big game shoot: Senior — George Batchelder, first, and Dan Talt, second; Junior — Donald Kaer, first, and Bryce Stewart, second.

Double American open: Milton Connor, first, and S. E. Tower, second. Distance shoot: Senior — George Batchelder, first, and Dan Talt, second; Junior — Basil May, first, and Bryce Stewart, second.

Although handicapped by the lack of reserve strength and sufficient practice, members of the Recreation Department's basketball team travel to the Emery High School gymnasium in Emeryville Friday night, to meet the Alameda County project squad of Chas. "Chili" Bertoli, former University of California football star, in the first game of the Works Progress Administration inter-project basketball league.

Led by Edwin S. Howell, supervisor of the local department and manager of the squad, the Albany men will wear their new scarlet red and royal blue uniforms for the first time in the Emeryville game.

Jim Bratton, Cleo Ralph, Emmet Devine, Darwin Walton, Harold Kronke, Sam Patterson, Fred Krausnick and Howell make up the squad.

A large group of friends and co-workers of the team members will be on hand to cheer the local boys on to victory. Admission to the game is free and the general public is invited to attend.

Four Marin Teachers Attend Football Game

A piece of a goal post was brought home as a souvenir by Miss Celia Malik, who attended the Stanford-California game at Palo Alto last Saturday.

She was accompanied by three other teachers of Marin School. They were the Misses Eva Johnson, Phyllis Bruce and Catherine Wittechen.

6 HIGH-PRICED TIRE FEATURES IN THIS LOW-PRICED CAVALIER

Now! A Quality-Built Tire at the Price of a "Bargain-Built" Tire

In order to protect customers, it's our policy to get all the facts about every tire we sell. We know that this Goodrich Cavalier is "Double-Cured"—that it's made tough all the way through. We know that many of the features you expect to find only in tires costing more are STANDARD CONSTRUCTION in the Cavalier. And this is important—every Cavalier is a product of Goodrich, America's oldest tire manufacturer—the maker of Silvertowns. The Goodrich name is right on it.

Is it any wonder that we're enthusiastic about these "Double-Cured" Cavaliers? We'll stake our reputation as tire dealers that you'll get extra mileage and "trouble-free" service. And at today's low price why put off getting Cavaliers for your car? Come in today.
